

On 1st June 2018, bus prices will be reduced for travel within the municipality of Härnösand. The new Härnösand card will cost 50 SEK and will be valid for travel during a 30-day period.

When the new price is introduced, it will no longer be possible to travel on the central line (Centrumlinjen) or Saturday buses free of charge. Everyone will need to have the Härnösand card or another ticket in order to travel by bus in Härnösand after 1st June

On 1st June 2018 children and young people (7-19 years) will also be able to travel by bus free of charge. They will be required to have a youth card that you apply for at www.harnosand.se/barnkortet

Both the Härnösand card and the youth card will be valid for an unlimited number of bus trips within the municipality of Härnösand. The cards may also be used on bus routes 50, 90 and 201, if the trip commences and terminates within the municipality of Härnösand. However, the cards will not be valid for travel on "Y-buss" or the demand response service (dial-a-bus).

Harnosand card

The card costs 50 SEK and will be valid for a 30-day period.

The card may be purchased on the bus, at COOP Forum and at Hellstrands Tobak.

The card may be topped up online (www.dintur.se), on the bus, at COOP Forum and at Hellstrands Tobak. However, in order to avoid queues, we advise that you don't buy or top up the card on the bus.

If you already have a season ticket, you will not need a new card, but from 1st June you may top up your existing card with the new product "Härnösandskortet".

The card is free of charge for anyone between the ages of 7-19 years old.

You can apply for the card on-line at www.harnosand.se/barnkortet.

Validated cards will be sent by post to the applicant.

Under normal circumstances, processing time can take up to 4 days.

Lost or damaged cards can be replaced. You apply for a new card in the same way. A replacement card costs 200 SEK.
